

Information Governance / Data Insight Product Use Rights

This Product Use Rights Documentation describes how the Information Governance / Data Insight Software will be provided to You.

1.1. General Rights.

- 1.1.1. You may use the Software to manage the number of Users of the Software and/or the number of FETB's of the Software per the terms contained in this Agreement and according to the Use Level limitations specified in the Order for the license(s) which You have purchased.
- 1.1.2. If the Order indicates that You have received a license for Data Insight Self Service Portal ("Portal"), then You may use the Portal to manage the number of Users of the Portal and/or the number of FETB's of the Portal Add-On per the terms contained in this Agreement and according to the Use Level limitations specified in the applicable Order. Unless otherwise authorized by Company, You must have a license to the Portal Add-On for at least the same number of Users and/or the number of FETB's as You have licensed for the Software.
- 1.1.3. If You have received the Software included as part of a bundle of software products (a "Bundle"), rather than licensed separately, You may use each individual Software product contained in the Bundle in the quantities and in accordance with the license meter stated in the applicable Order.

- 1.3.1. Unless explicitly set forth in this PUR, a license to Software shall include the right to use features that are not specified in this PUR, regardless of if Software is licensed on a Perpetual or Subscription basis.

- 2. USAGE IN A CLOUD SERVICE PROVIDER ENVIRONMENT.** You may use the Software in the Cloud Service Provider Environment(s) for which Company has pre-configured Software to run in. Your use of the Software in Cloud Service Provider Environment(s) accumulates with Your use of the Software outside of Cloud Service Provider Environment(s) and such combined usage shall cumulatively be in compliance with the Use Levels limitations specified in the Order for the licenses which You have purchased. You will procure Cloud Service Provider's cooperation with Company's exercise of its right to audit and verify Your compliance under the Agreement, including Your use in conformity with the Use Levels purchased, but if You are unable to procure such cooperation then You will, upon Company's written request, provide or require Cloud Service Provider to provide, copies of Cloud Service Provider's written usage reports relating to Your use of the Software in the Cloud Service Provider Environment. Subject to any requirements between the Cloud Service Provider and Company, Company will use such information for its internal business purposes.

2.1 TERMINATION OF SUPPORT IN CLOUD SERVICE PROVIDER ENVIRONMENT. If Cloud Service Provider or Company terminates its support for the Software in the Cloud Service Provider Environment, including therefore Your access and use of the Software under such environment, such termination does not affect Your separate continuing license rights and obligations under the Agreement and Order.

2.2 USE OF SOFTWARE LICENSED BY MICROSOFT CORPORATION. If You are deploying Software in Microsoft Azure, the following may apply. The Software may include the following Microsoft software products: Windows Server®, SQL Server® or Microsoft Dynamics NAV® ("Microsoft Software Products"), which are provided and licensed by Microsoft Corporation, not Company. Your use of the Microsoft Software Products, including updates thereto, shall be governed by Microsoft's license terms.

2.3 USE OF SOFTWARE LICENSED BY AMAZON WEB SERVICES, INC. If You are deploying Software in Amazon Web Services, the following may apply. The Software may include components of Amazon EC2 AMI Tools, which is provided and licensed by Amazon Web Services, Inc., not Company. Your use of the Amazon EC2 AMI Tools component, including updates thereto, is subject to the terms of the Amazon Web Services, Inc. "Amazon Software License" at: <https://aws.amazon.com/asl/>.

3. DATA INSIGHT SCHEMA AND API

- 3.1 Schema License.** If the Software You have licensed includes the DATA INSIGHT SCHEMA AND API. Company may provide You with development schema and other written materials to enable interoperability of other software with the Software ("Schema") and/or a web API to allow You to query the Schema ("Schema API"). You are entitled under this Agreement to use an unlimited number of copies of such Schema, Schema API and any software that You produce with the Schema ("Schema Code") solely for the purposes of generating queries, enabling applications to work with the Software and allowing for custom extractions from the Software. This Schema license shall be in addition to any licenses for the Software acquired by You under this Agreement.
- 3.2 No Redistributable Code.** The Schema, Schema API and the Schema Code shall only be used by You for Your internal use, except as expressly provided in this Agreement, and may be not be distributed, alone or as integrated with any other code or product, by You in any manner whatsoever to any third party.
- 3.3 Open Source Code.** Your license rights to the Schema, Schema API and the Schema Code are conditioned upon Your not creating derivative works of the Schema, Schema API and the Schema Code in any manner that would cause the Schema, Schema API and/or the Schema Code in whole or in part to become Open Source Code. "Open Source Code" means a software program that is licensed under terms that require disclosure to parties other than the licensor of the source materials of the software program or modifications thereof, or any source materials of any other software program with which the Open Source Code software program is intended to operate, or that create obligations to distribute any portions of any software program with which the Open Source Code software program is used. Open Source Code includes, without limitation, any software licensed under the GNU General Public License.
- 3.4 Third Party Consultants.** You may allow third party consultants to exercise the right granted in this Section 3 on Your behalf provided that: (a) You ensure that such consultants adhere to the applicable terms and conditions of this License Agreement; and (b) You indemnify Company for any breach of this Agreement by such consultants.
- 3.5 Support/Maintenance for Schema.** Company has no obligation under this License Agreement to provide maintenance/support for the Schema, Schema API and/or Schema Code. Any maintenance/support purchased in conjunction with Your license to the Software shall apply to Your

use of the Schema, Schema API and Schema Code, and is subject to Company's then-current maintenance/support policies.

- 3.6 **Warranty Disclaimer.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE AGREEMENT, THE SCHEMA IS PROVIDED "AS IS," EXCLUSIVE OF ANY WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, OR ANY OTHER WARRANTY, WHETHER EXPRESSED OR IMPLIED. THE SCHEMA IS PROVIDED GRATUITOUSLY AND, ACCORDINGLY, COMPANY SHALL NOT BE LIABLE UNDER ANY THEORY FOR ANY DAMAGES SUFFERED BY YOU OR ANY USER OF THE SCHEMA. COMPANY WILL NOT PROVIDE DEVELOPER, ENGINEERING OR ANY TECHNICAL SUPPORT FOR THE SCHEMA AND WILL NOT ISSUE UPDATES, UPGRADES, OR ENHANCEMENTS TO THE SCHEMA.
- 3.7 **Disclaimer of Damages.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL COMPANY BE LIABLE TO YOU FOR ANY DIRECT, SPECIAL, CONSEQUENTIAL, INDIRECT OR SIMILAR DAMAGES, INCLUDING ANY LOST PROFITS OR LOST DATA ARISING OUT OF THE USE OR INABILITY TO USE THE SCHEMA EVEN IF COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 3.8 **Development Disclaimer.** THE SCHEMA ALLOWS YOU TO PREPARE SCHEMA CODE WHICH OPERATES IN CONJUNCTION WITH SOFTWARE. COMPANY SHALL NOT BE RESPONSIBLE FOR YOUR APPLICATIONS OR ANY DEVELOPMENT AND PROGRAMMING ACTIVITIES UNDERTAKEN BY YOU. UNLESS YOU USE THE APPROPRIATE DEGREE OF SKILL AND CARE IN YOUR DEVELOPMENT AND PROGRAMMING ACTIVITIES, YOUR SCHEMA CODE MAY CAUSE ERRORS OR PROBLEMS IN THE USE OR OPERATION OF SOFTWARE. YOU MAY USE THE SCHEMA TO DEVELOP AND USE APPLICATIONS AT YOUR SOLE RISK AND COMPANY SHALL HAVE NO LIABILITY FOR ANY FAILURE OF THE SOFTWARE AND/OR OTHER COMPANY SOFTWARE BASED ON YOUR FAILURE TO PROPERLY DEVELOP, PROGRAM, INSTALL, CONFIGURE AND MONITOR YOUR SCHEMA CODE SOLUTION.
